**RANGE:**
C1-TWR Wild Towers

**FREE HEIGHT OF FALL:**
1.2m

Colour Variants:

### Play Values:

Cognitive
Creative
Discovery
Inclusive
Physical
Socialising

### Overview

The Little Squirrel Play Tower is built for the youngest climbers, the ones taking their first proper steps up a ladder and their first ride down a slide. Compact enough for a nursery garden or a corner of the play area, it packs a full loop of play into a single tower: climb up, look out, slide down, run round, do it all again.
